

JOIN US AT THE UPCOMING NADA AGMS

Every two years, the National Automobile Dealers' Association (NADA) holds Annual General Meetings (AGMs) across the regions to elect the representatives who will serve our members at local, provincial and national levels. These meetings are a cornerstone of the Association's democratic process and a vital opportunity for members to help shape the future direction of our industry.

Your participation matters. The AGMs give us a chance to connect with you directly, hear your views and understand your aspirations. They also ensure that the individuals chosen to represent you are aligned with your needs and equipped to develop strategies that truly support your success in this evolving landscape.

We warmly encourage all members to attend and become more involved in the work of the Association. It's also a great opportunity to meet the newly appointed NADA Director and hear first-hand about his plans to serve and support our community in the years ahead.

Please find the schedule of all NADA AGMs taking place later this year below. Be sure to mark the relevant dates in your calendar. Venue details and times will be shared soon. We look forward to seeing you there.
