

NADA ANNUAL MEMBER MEETINGS: CONTINUING THE CONVERSATION

We are halfway through this year's Annual Member Meeting engagements and thank everyone who has joined the discussions so far. These meetings are an opportunity to hear directly from NADA leadership, discuss the issues affecting dealerships and share experiences with fellow members. The agenda includes practical updates on consumer legislation, competition law, labour matters, Financial Intelligence Centre (FIC) requirements and other developments shaping automotive retail.

Members will also hear about NADA's work over the past financial year, from advocacy and industry representation to compliance support, training and the contributions of our Dealer Councils, Regional Executive Committees and National Executive Committee.

Most importantly, we want to hear from you. Your questions, concerns and insights help guide how NADA represents and supports its members. We encourage everyone in the remaining regions to join us and take part in the conversation.

Please diarise the remaining meetings:

- **Central Region:** 7 October 2026
- **KwaZulu-Natal:** 13 October 2026
- **Cape Town:** 22 October 2026

We look forward to seeing you, hearing your views and discussing how NADA can continue to support your dealership. Your participation helps strengthen our collective voice.
